

AHE Unit Study Project – How YOU can help...

A topic will be announced for the month. Your job is to help us brainstorm ideas to cover the topic for the month. You can gear your ideas for young children, for late elementary or for high school. Ideas can consist of individual projects or group ideas to help large families with ideas on how to teach more than one child at one time.

Brainstorm Ideas (can include, but isn't restricted to):

Related Bible topics / stories

Adventurer Awards / Pathfinder Honors (with some helps)

Cooking Activities

Copy Work (Bible verses, SOP quotes, quotes from historical figures, an interesting fact, a written piece of history, etc.)

Craft / Art projects

Reading List / Mission Stories

Grammar Skills (assorted: punctuation, parts of speech, sentence structure, etc.)

Writing Ideas (journaling, essay, report, newsletter article, blogging, etc.)

Math Ideas – a problem for the day, a particular concept, early elementary hands on math skills, related logic problems

Related Science topics

Social Studies / Geography – climate, culture, map skills, current events, related events in history,

Local related events or activities

PE activities

Field Trip Ideas

Family Worship Ideas

Hands on Projects

Ideas for nature journals, lap books, notebooking, lesson plans, etc.
